

Dear NHS Class of 2026,

On behalf of the Northwood High School Parent Teacher Student Association (NHS PTSA), we would like to welcome all our incoming 9th grade families! Whether this is your first child at Northwood or you are a returning NHS parent, we know that this is an exciting time for your whole family and we are thrilled to welcome you! Northwood High School is a special place and we have an extraordinary school community where teachers, parents and students work together daily to support one another and provide an exceptional educational environment.

You may be thinking that there is not a place for you to help out at your student's high school. However, your support is needed more than ever! There are many avenues for parental involvement at NHS and each serves the NHS community. We encourage you to look for ways to stay involved, connect, and serve through our fantastic parent groups like the Timberwolf Instrumental Music Boosters (TIMB), Northwood Choral Music Boosters, NHS Athletics Boosters, and –of course– our **NHS PTSA** where parents work alongside our awesome NHS staff and students to support their needs.

There are many ways parents can get involved on the campus –from working at the Student Store that is run everyday at lunchtime, to being part of the Kick Off days and State of the Student day in the Fall, to coming in as a Career Speaker for the students, and organizing the Grad Night for our Seniors. Volunteering your time and/or becoming a PTSA member makes a difference! You can support PTSA and our students by becoming a member without volunteering. Attend our monthly meetings (second Tuesday of the month) to share your ideas, and hear updates from the PTSA, Principal Roach and the ASB. You will receive more information in your registration packet this summer about the PTSA and how you can become a member (We have a reputation of having the most parent/guardian and student members in the entire district!) In the meantime, we ask that you **register your account on our PTSA website (www.northwoodptsa.org)** to receive our [weekly newsletter](#) which will keep you connected to what's happening at school.

For any questions, please email president@northwoodptsa.org or visit www.northwoodptsa.org. We look forward to meeting you in-person or online soon. *Again, Welcome to NHS!*

GO T-Wolves!

Archana Gima
NHS PTSA President 2020-22
