

# REGIONAL OCCUPATION PROGRAM

Registration for Fall 2021 Begins on

**May 3, 2021 for class of 2022**

**May 10, 2021 for class of 2023**

**May 17, 2021 for class of 2024**

## WHAT IS ROP?

A course of study that prepares high school students for college and career, focusing on career technical education

## WHO IS ROP FOR?

Rop is for **all** students

- 4-year college bound
- 2-year college bound
- Specialty or trade school
- Industry certification
- seeking employment

## WHY TAKE ROP?

- Earn grades and credit toward high school graduation
- participate in internships
- meet UC/CSU admission requirements
- try a class not offered on campus
- free to high school students
- explore careers

## SOMETHING TO THINK ABOUT

Career technical education through ROP improves self-efficacy. Studies have shown that ROP students, achieve better grades and are satisfied with career opportunities

## HOW TO REGISTER?

Students self-register via
