

## Course Description

Theatre studies is the study of theatrical performance in relation to its literary, physical, psycho-biological, sociological, and historical contexts. It is an interdisciplinary field which also encompasses the study of theatrical aesthetics and semiotics.

In other words: we play, communicate, and collaborate!

Come join the Timberwolf theatre family!

ADVANCED DRAMA (7771/7772)

“The mission of the theatre, after all, is to change, to raise the consciousness of people to their human possibilities.” - Arthur Miller

“The word theatre comes from the Greeks. It means the seeing place. It is the place people come to see the truth about life and the social situation”

-Stella Adler
