

Vocal Music

Vocal Music will prepare you for life and gives you all of the 21st century skills necessary to succeed in an ever changing world - creativity, self-discipline, out-of-the box thinking, collaboration, and community involvement.

Work We Do

- Learn the music language
- Develop your public speaking and performance ability
- Enjoy your life with people willing to help you do it
- Discover history, culture, language, and fitness through the lens of music

CHORUS

If I cannot fly, let me sing.

— Stephen Sondheim

Homework Time:

Approximately 15 minutes/night

...

UC/CSU a-g approved –
College F Preparatory Elective

...

Year course
(10 credits)

...

NHS General Elective

Chorus prepared me more for college and life than any other class I ever had. Besides, it was the most fun class at NHS by far.

Sean Doyle, 2016
