SPANISH 3

Yearlong, UC/CSU, A-G Approved, College-Prep Elective (10 Credits)
This course is a continuation, reinforcement and strengthening of the knowledge and skills acquired in Spanish 1 and Spanish 2. Students expand their understanding of the language and communicate expressively.

Students will gain real-life skills such as identifying and describing famous **works of art by Hispanic artists**, talking about **outdoor activities and competitions**, **expressing belief or doubt** about myths and legends from Spanish-speaking countries, and **making predictions about the future** of our world.

Students Who Are Interested in This Course
- Are interested in the traditions and perspectives of other cultures
- Are excited to learn to express themselves in the fastest growing language in California
- Are motivated to consistently work toward the rewarding goal of expressing themselves in Spanish

Spanish 3 Students Will Be Able To...
- Expand communication in Spanish from the present, past, and future to hypothetical situations and expression of wishes, doubts, and opinions.
- Strengthen their listening, speaking, reading and writing skills in the interpretive, presentational, and interpersonal modes of communication.
- Access and interpret information in Spanish from a variety of sources.

The Importance of Spanish:
Spanish is the **fourth most spoken** language in the world and the **second most spoken in the United States**.
By 2050, the USA will likely be the nation with the most Spanish speakers.

Learn about different art forms from the Spanish-speaking world

Identify, describe, and even recreate famous works of art by Hispanic artists

Spanish 3 Students Say:

"Take the class but also know that [you] might have to spend more time studying in comparison to Spanish 1&2"

"Speaking Spanish in general is a useful skill for any job that involves interacting with people."

"When I travel in Spanish-speaking countries, I will be able to use my Spanish knowledge to communicate, ask for directions, or find anything else I may need."
