

NORTHWOOD HIGH SCHOOL

Charter Oak Awards Ceremony

Award Descriptions

Tonight's honorees have made an impression on the Northwood staff for various reasons, however, they all have distinguished themselves through their commitment to their educational journey.

Students are being recognized in the following categories and the letter(s) beside their name denotes the award they received.

The **Authentic Learner** award commends those whose work ethic, positive attitude, and commitment to the learning process sets them apart from their peers. **(a)**

The **Effective Communicator** distinction honors students who read, write, and listen intently, as well as speak reflectively, and think critically with integrity. **(c)**

The **Greatest Growth** achievement celebrates students who have demonstrated tremendous growth in the classroom. **(g)**

The **Community-Minded Individual** recognition commends those who have developed a sense of pride and ownership in the school, community, and the world. **(i)**

The **Pride of the Pack** award recognizes students who exemplify our core values: compassion, integrity, and mutual respect. **(p)**

The **Reflective Individual** honor celebrates students for their engagement in the learning process and their growth mindset approach during difficult times. **(r)**

The **Complex Thinker** award recognizes students who access, analyze, and synthesize information to formulate conclusions, solve problems, and make decisions. **(t)**

Students who were nominated by two or more teachers in the same category will show an asterisk (*).
