

# NORTHWOOD HIGH SCHOOL PTSA

Parent Teacher Student Association

*For the Good of the Pack!*

Welcome NHS Class of 2029!

On behalf of the Northwood High School Parent Teacher Student Association (NHS PTSA), we would like to welcome all our incoming 9th-grade families. This is an exciting time for your family. We want you to know that Northwood High School is a special place where teachers, parents, and students work together to provide an exceptional educational environment.

The good news is that there are so many different ways to help out at Northwood High School. We encourage you to look for ways to be involved, connect, and serve through our fantastic parent groups, such as the Timberwolf Instrumental Music Boosters (TIMB), Northwood Choral Music Boosters, NHS Athletics Boosters, and, of course, our **NHS PTSA**, where parents work alongside our awesome NHS staff and students to support their needs.

**One Action to Take Right Now!** Register on our website, [NorthwoodPTSA.org](http://NorthwoodPTSA.org), to get our newsletter and learn what we do:

- Kick-Off Registration Days
- Student Store [NorthwoodPTSA.org](http://NorthwoodPTSA.org)
- Career Speaker Series
- Reflections Art Program
- Year-Long Staff Appreciation
- Grad Night for Seniors
- Library and Technology Support
- Student Advocacy Trip
- Sacramento Safari for Parent Advocacy

Please visit these parent groups to learn more:

Please look for our emails so we can keep you informed on ways to volunteer and become a member of one of the largest PTSAs in Irvine. It takes many hands to continue our support of the students. Please contact us with any questions about ways you can help. We can't wait to meet you at 8th Grade Family Night and Freshmen Kick-Off in August!
