

NHS ATHLETICS BOOSTERS

2024-2025 SCHOOL YEAR WELCOME

NHSAB Voluntary Donation

Fund your team with more coaching, tournaments, uniforms, equipment and more. IUSD funds some in-season costs including 74 coaches for 26 teams, league officials, and transportation. Everything else is funded by team parent support. We can only spend what the team raises; there is no other funding.

The suggested voluntary donation is based on each team's planned spending. Any amount is welcome, in a lump sum or installment amounts. Donations in excess of the requested amount help fund your team's athletes. **Donations are optional and do not impact an athlete's ability to participate.**

TEAM	SEASON	SUGGESTED VOLUNTARY DONATION
Baseball	Spring	\$800
Basketball – Boys	Winter	\$500
Basketball – Girls	Winter	\$600
Cross Country	Fall	\$300
Flag Football	Fall	\$450

OUR WEBSITE

It's Great to Be A T'Wolf Booster!

Northwood High School Athletics Booster Club welcomes you!

It is going to be another great academic and athletic year for our favorite student athletes. **We need the help of all NHS athletic families.**

Irvine Unified School District, under the free school education requirement, provides funding for:

- In-season Pacific Coast League play, including 74 coaches for 26 teams, and advising funding for Pep Squad
- In-season officials, transportation, safety equipment and facilities/maintenance

Northwood family and friends donate and fundraise to provide \$450,000 of annual funding for everything else a team needs:

- Off-season or extra in-season coaching, the largest expense;
- Tournaments, so there are more opportunities for the athletes to compete;
- Uniforms;
- Equipment (NHS funds \$500 per team annually for equipment); and
- Photography, videography, athlete awards, coaches gifts, team building and other team needs.

IUSD	NORTHWOOD FAMILY & FRIENDS
 Coaches	 Coaches and Tournaments
 Officials	 Uniforms
 Bus	 Balls/Equipment

	 Food

FREE SCHOOL FUNDING	UNFUNDED COSTS: \$450,000
---------------------	---------------------------

We are all Boosters! Each team has one vote in Northwood High School Athletic Boosters Club. The Board members train at least one team volunteer to lead the parent-led fundraising. The team may have more than one FTR, in fact, if one FTR is "graduating" at the end of this school year, another underclassman FTR is required to ensure adequate training and fundraising continuity. All FTRs are required to attend annual fundraising, parent meeting, spending and stipend training.

Since 1999, NHSAB has been a valued partner with NHS Athletic Directors and administration to ensure our student athletes have an excellent and funded experience. NHSAB produces monthly financial statements with detailed cash receipts and disbursements. All are welcome to attend our meetings. NHSAB prepares an annual report of compliance for IUSD, NHS and its community. Monies donated to or raised by the team are available for all IUSD permitted team expenses. Each team pays a \$38/athlete/year to the general fund for shared athletic costs and costs of administrating NHSAB.

Your team's FTR will hold a parent meeting. At this meeting, the team budget, fundraising plan and volunteer needs of the team will be reviewed. The FTR will request a voluntary donation; donations are optional and do not impact an athlete's ability to participate. We hope to see you supporting your student athlete at the games, lending a hand with the team's activities and forging a culture of friendship and fun. And don't miss the end of season banquet, where our student athletes are honored and we thank our coaches. Thank you for your support. It's great to be a T'Wolf!

For the Good of the Pack!

Daniela Kou
NHSAB President

BOOSTERS MISSION:

Our mission is to support each team's parent-led fundraising with training, tools and technology to pay for the costs not funded by IUSD.
