

ADVANCED CERAMICS

CLASS INSTRUCTOR
MS. RISING
ROOM 504

DEVELOP A PERSONAL STYLE WITH CLAY!

This course is great for driven students that can work independently. Students will set their own goals for their work and will have the option to hand build or throw on the wheel. Students will spend time analyzing other artists and ceramicists and work towards developing a personal style. Research and reflection is a requirement for this class as well the ability to effectively communicate.
