### Course Description

See QR codes for description and how your learning will be assessed.

Syllabus

Ungrading

### You Will Learn to:

- Make sense of problems and persevere in solving them.
- Construct viable arguments and critique the reasoning of others.
- Engage in Creative and Divergent Thinking

### Why YOU Should Take Embedded Honors IS3

- Completion of IS3 gives you credit for biology, chemistry and physics!

Only enroll if you are curious about:

- Origins of the universe
- How we perceive the world
- The use/misuse of energy
- How hominids evolved

“I really enjoyed this course because it opened my eyes to concepts I was never taught in other science classes.”
