

Student Dance Contract 2024-25

The following are expectations provided by Northwood High School for students at dances and similar events. The simple expectation is that students show respect for the event and those around them and behave in a manner consistent with the Northwood Code of Conduct. By acknowledging this document, the student and parent/guardian are stating the student will act in a manner consistent with both the actual and the spirit of the expectations set forth. In addition, NHS students must clear all financial and/or disciplinary obligations, including unserved detentions. Students must maintain a positive attendance record to be eligible to attend the event. This agreement is to clarify expected behavior prior to, during, and after NHS dances. Consequences for violating guidelines are delineated in accordance with the IUSD Policy. Attending school dances and other similar events is a privilege that can be revoked without refund. All tickets are non-transferable and non-refundable.

Ticket Sales

Dance tickets must be purchased in-person in the Activities Office by the Northwood student. NHS students must clear all financial and/or disciplinary obligations and have no outstanding disciplinary issues. The Activities Office will sell tickets during morning break, lunch and after school until 4pm. Tickets are not sold during class time. Ticket prices will go up every week that tickets are sold. Tickets are non-transferable and non-refundable. Dances will be held rain or shine.

To complete their ticket transaction, each Northwood student purchasing a ticket should bring

- NHS student ID card
- Form of payment: cash or check. (*Checks must be written by the NHS student's family. Checks from non-NHS families are not accepted*)
