

Student Dance Contract 2026-27

The following are expectations provided by Northwood High School for students at dances and similar events. The simple expectation is that students show respect for the event and those around them and behave in a manner consistent with the Northwood Code of Conduct. By acknowledging this document, the student and parent/guardian are stating that the student will act in a manner consistent with both the actual and the spirit of the expectations set forth. In addition, NHS students must clear all financial and/or disciplinary obligations and have no outstanding disciplinary issues, including unserved detentions. This agreement is to clarify expected behavior prior to, during, and after NHS dances. Consequences for violating guidelines are delineated in accordance with the IUSD Policy. Attending school dances and other similar events is a privilege that can be revoked without refund. All tickets are non-transferable and non-refundable.
