

# Portfolio Prep

Year long – 10 Credits

Meets A–G Requirement

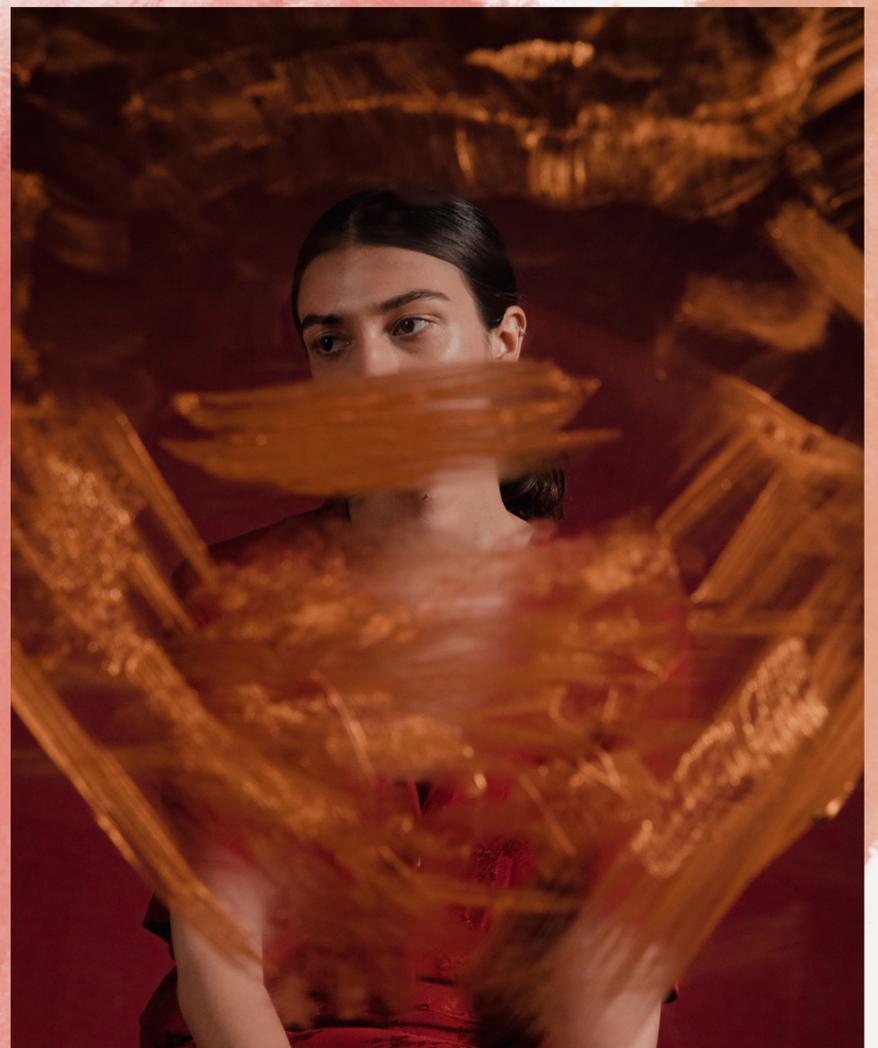

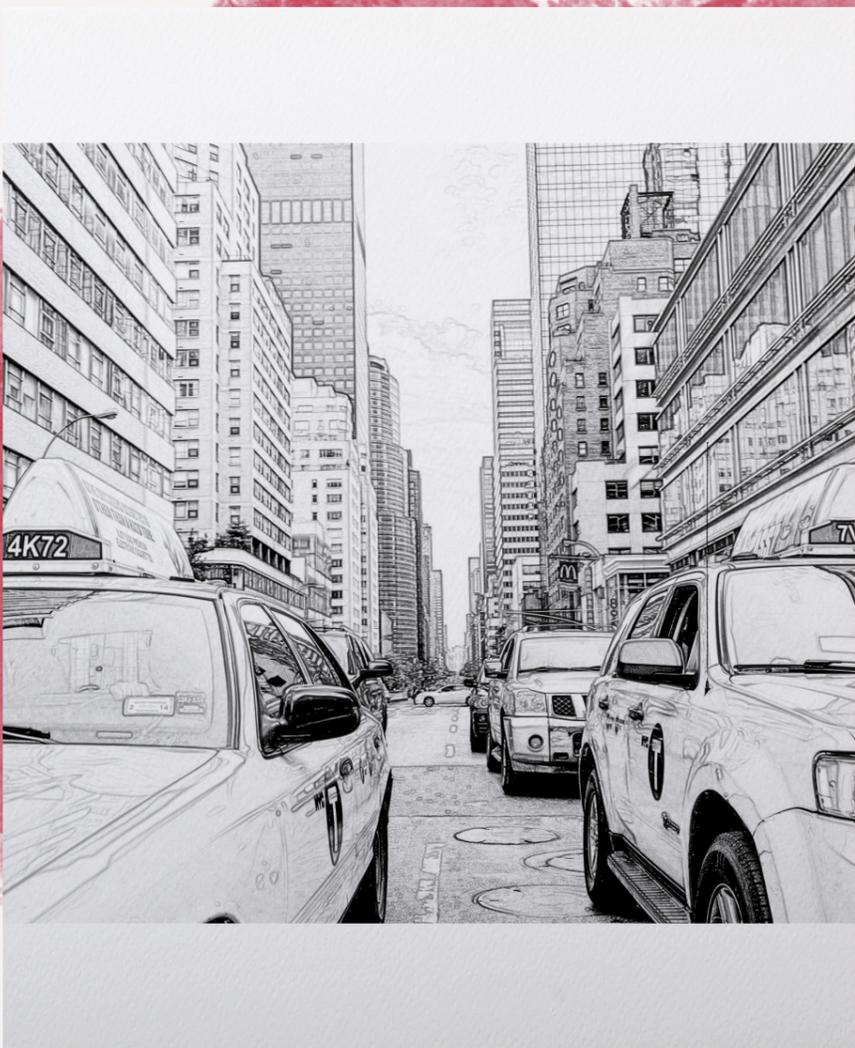

Pre–Rec: Completion of Draw/Paint class at NHS or  
Portfolio review

## Course Description

An advanced art class designed to be taken before or after AP Studio Art. In this class we complete college portfolio quality works and explore contemporary art themes and ideas. Advanced knowledge of art technique and elements and principles of design is expected. This art class has approximately 1 hour of homework weekly – typically sketching and art making. Students need to be self motivated to complete open – ended art projects based on themes and techniques.

## What we do

- Use advanced art techniques to refine drawing, painting, and digital art skills
- Prepare works commonly needed for college and AP Portfolios
- Explore conceptual art themes and open ended ideas
- Experiment with unique materials and processes
