

ROP

Coastline ROP is a career and technical education (CTE) provider that prepares high school students for a wide range of careers and further educational opportunities.

ROP Description

ROP = Regional Occupational Program
Career Technical courses that apply
academics
ROP =Class Instruction + Hands on
Learning

What You Will Learn

ROP students improve their critical thinking skills, communication skills and work attitudes. Many classes include internships at local businesses.

Why YOU Should Take an ROP class

Earn grades & credits towards high school graduation

Enroll in classes that satisfy a-g requirements for UC and CSU admissions

Participate in courses that offer internships. You must be 16 years old

Stand out from the crowd on your college applications

"My ROP Certified Nursing Assistant class has been a great experience! ROP has opened my eyes to see that Nursing is the job for me. Thank you ROP!"
