"For the good of the Pack"

January 23, 2025

Dear NHS Seniors and Parents,

Congratulations to you and your family as you finish your senior year at Northwood High School! We are so proud of all of our students and their hard work as they complete their final semester of their compulsory education. NHS has worked hard to ensure students are well prepared for the next step in their lives and we are looking forward to celebrating with your family and students. This letter and the packet attached include important information regarding Commencement and other senior activities. Our hope is to provide you with all of the details of the celebrations as well as include helpful information on ensuring the safety of our seniors during this exciting time. We hope you will review all deadlines and information as a family.

The Class of 2025 has 608 seniors! This year we will return to the UCI Bren Center for the NHS Commencement Ceremony on Thursday, June 5th at 1:30pm. Below you will find some important details about the event to ensure you can participate!

Senior Events

There are a variety of school-sponsored senior events planned for the Spring that we hope all seniors will be able to participate in. This includes the Senior BBQ, breakfast, and the PTSA sponsored Grad Night. Information about these events are in the attached packet and found on the northwoodhigh.org website. Please note, there are a variety of unsponsored senior events and trips put on by outside groups; therefore, we will not accept any responsibility for students who participate. These trips are completely independent of the Irvine Unified School District and their policies. School officials share concern about the quality and safety of many of these trips and we ask our parents to evaluate them carefully. In addition, there is no authorized "ditch day" for seniors. Seniors truant from school on "ditch day" will lose their opportunity to participate in senior activities and the Prom. This type of unsupervised activity puts students' safety and well-being in jeopardy. We encourage families to communicate expectations for their students to ensure a smooth Spring.

Participation

Students will be allowed to participate in the ceremony if they have completed ALL required credits and school behavioral expectations. There are **three** main elements that students must monitor to ensure their participation:

1. **Grades and graduation requirement** - students who are in jeopardy of not meeting requirements are notified throughout the school year by their school counselor. On Monday, June 2nd, the NHS counselors will complete final graduation checks for all seniors based on the final grades submitted by teachers that day. If a senior has not met all subject and credit requirements, a counselor will notify the senior and their parents to participate in a conference. At that conference, the senior will complete a signed contract regarding their plan to complete all requirements prior to the first day of school of the next school year in order to receive an NHS diploma. Seniors who have not completed all subject and credit requirements by June 3rd, will not be allowed to participate in the commencement on Thursday, June 5th.
2. **Maintain positive behavior** - students must continue to adhere to the NHS Timberwolf Code of Conduct, including positive attendance. Students also must **NOT** enter campus after hours for any sort of "pranks", etc. Any violations may result in removal from this important ceremony. All outstanding detentions must be cleared.
3. **Senior Graduation Clearance Form** - forms will be distributed to seniors at the end of May with detailed instructions on when it must be completed and returned. This form must be returned for students to participate in the graduation ceremony.

Rehearsal

Seniors who meet all the graduation requirements and who choose to attend the Commencement are required to attend rehearsal on **Wednesday, June 4th**. **Seniors must report to the NHS theater at 9am and should expect to be at school until about noon.** Seniors must make the adjustments to their schedules to allow them to attend the rehearsal. **Attendance at rehearsal is required** for student participation in the graduation ceremony on Thursday, June 5th.

Graduation Event

Commencement Day: Thursday, June 5th – Seniors must report to the Theater at 11:30am.

Seniors may NOT bring cell phones, money, purses, yearbooks, cameras, flowers or valuables into the theater on graduation day. Students should leave items they want to take directly after the ceremony with their families.

Caps & Gowns: All seniors must be dressed in an NHS cap and gown in order to participate in the commencement. Students have the option to purchase the cap and gown or borrow. The cap and gown may not have any items attached, draped or written on them other than honors cords awarded to seniors **by NHS for academic recognition**. There are some limited allowances for students going into the military as well as cultural adornments. Information about this will be sent through email. Students who did not turn in their initial cap and gown order paperwork may still purchase a cap and gown but must order through Jostens by February 28th. Caps and gowns will be distributed on June 4th (Rehearsal Day). There will be a **limited** number of caps and gowns for sale on Rehearsal day for \$40 (cash only). Students who have chosen to borrow a cap and gown from Jostens must return all pieces to the school after the ceremony or the diploma will be held.
