

# NORTHWOOD HIGH SCHOOL 2024 SUMMER SKILLS CAMPS

## PURPOSE

NHS Athletics exists to foster a learning environment reflective of the school's core values, where all student-athletes can compete for the greater purpose of developing personal character and commitment to teamwork and community. Camps are open to all current and incoming Northwood students, are purely recreational, and are completely voluntary.

Daily attendance aids in development but is not required. Participation in camps is not offered for credit nor is a prerequisite for equal access to athletics during the school year. Fueled by a strong commitment by both our athletes and our coaching staff, Northwood High School's Summer Skills Camps are designed to teach fundamental skills in each sport and to help build up proper strength and conditioning.

## POLICIES

Operations of camp (e.g. staffing, equipment, etc.) depend on accurate projections of accounting and budgeting. As such, NHS summer camp administration adheres to the following policies:

- No refunds or pro-rating of summer camps
- All student-athletes must be cleared before the start of camp (please see the Athletic Clearance section below)
- An athletic trainer's attendance is NOT guaranteed for the duration of each summer camp
